PROGRAM POLICIES

Before joining, please review our policies as a family and ensure we are a good fit for your lifestyle and priorities.

- Only enrolled athletes are allowed in the practice areas. (Cheerabilities and tiny Duchess teams are an exception. Please talk to your child's coach for accommodation).
- No cell phones are permitted to be out at practice without coach approval.
- The use of the logo, gym name, team names, etc. are not permitted to be reproduced or used on items without permission from the director/owner.
- Athletes are expected to show up early or on time to each practice with the correct practice attire with an eager and ready to work attitude.
- Athletes should maintain good hygiene and style their hair in a high ponytail for every practice.
- Every athlete must wear proper undergarments. This includes sports bras for all ages!
- Athletes will be permitted to enter the gym no more than 10 minutes prior to class/practice.
- Athletes need to stay off the mat until their practice starts.

We enforce a strict attendance policy. Athletes are allowed 3 absences from August 1st through March 15th. These are to be utilized for school events, family events or illness. Any absence above and beyond the three will be charged a \$75 missed practice fee and the athlete could lose their position and/or placement on the team. Any absence that is not communicated with a coach prior to being missed will automatically be charged the \$75 fee and could result in a loss of placement/position.

Practice is mandatory during the week of competition. There are no exceptions to this rule. Please plan accordingly. If an athlete does miss practice during the week of competition, they could lose their position on the team or within the routine. There will be a \$150 fine assessed immediately. All additional practices called must be attended.

Athletes are enrolling in our program. Not a specific team. We will spend the summer deciding the roles and/or positions each athlete will have/play on their team(s). These positions may change at any time during the season.

An athlete may be removed from the program for attendance, conduct or parent conflicts. Parents who promote a culture of negativity, gossip, or complaining will be asked to leave the program.

An athlete may be moved to a different team if skills for the current team are not maintained. Each squad and/or position within the squad(s) may have additional requirements/expectations outside of practice that are required training/conditioning.

If an athlete is injured during the season, we will discuss the best placement for that athlete once they are fully cleared to return. There is not a guarantee that the same position and/or team will be available for that athlete to return to.

COMPETITIVE CHEER TEAMS

PREP/HALF YEAR (NON-TRAVEL)

The prep/half year cheer program is for athletes ready to compete but prefer less extensive travel. These teams will participate in 3 competitions. These teams will not go to Florida.

ELITE

Travel teams are for athletes and families that want to have a full commitment. These teams will have extra practices before competitions and will accept bids to The ONE Prime Finals in Orlando FL. These teams will have a rigorous practice schedule. Athletes will be held to guidelines and are expected to be fully committed to the program, their teammates and coaches. Parents should prepare for a significant financial and time obligation that will require out-of-state travel. There will be one or two overnight requirements - Nashville and/or Gatlinburg. These teams will participate in 5-7 competitions plus the end of season event in Florida.

CHEERABILITIES

This team is for athletes with mental and/or physical disabilities that prevent them from being successful on a typical team. They will attend 4-5 competitions with one overnight stay in either Gatlinburg or Nashville to end their season.

TINY TEAM (DUCHESS)

This team is for preschool aged children (3-5 years old). They will learn the world of competitive cheer and how to start working through a routine. These teams will only be exhibition and will not actually compete. They will participate in 3 competition events.

CROSSOVER INFORMATION

Crossovers do not pay additional tuition; however, they will pay the crossover fee that is charged to the gym for being on two teams at a competition. When fees are split among teams for events crossovers are expected to pay for each team. Not everyone that asks to be a crossover will be selected. Athletes may not cross from any other style of team to ELITE. (Except Hip Hop)
